REMINDER that our Club has committed to helping the Eastwood Rotary Club operate the concession stand at seven Syracuse University football games this coming season. In return, our club can raise more than \$1,100 in this endeavor, helping to make up for the absence of the Harborfest fundraiser this year. Stan Rubenstein, a member of the Eastwood Rotary Club and coordinator of the project, provided our club with details. Rotarians, guests, spouse's even children and grandchildren (must be at least 16 years of age) can help staff the concession stand. If you are interested, please contact Paul at paul.scott@palltimes.com. **Sign-up sheet on page 4. August 31 slot has been filled**

Council on Legislation vote opposing 07-231

President Bill read the memo from Ward Vuillemot, our district representative to the COL Council on Legislation in April 2007, urging our club to take action to oppose Enactment 07-231. It was passed by the Council in the heat of discussions over the recent contested election of an RI President elect. The enactment does not address the real issues of the dispute, but simply makes it significantly more difficult to elect our future presidents and adds significant cost to the process. This Enactment expanded the number of members on the Nominating Committee for Rotary International President from 17 to 34.

Phil Gains presented a motion to oppose Enactment 07-231, seconded by Paul Scott and approved unanimously by our club. President Bill will submit The Opposition on Legislation Report Form (2 votes as our club membership is 43) to the appropriate party.

Board of Directors needs nominees for the 2010 seat left vacant when Shawn Seale accepted the position of President Elect. Please contact Bruce Frassinelli, Nomination Chair, if you are interested in becoming a director.
